

Badge Guide

This guide shows where you should sew your daughter's Brownie badges on her unit hoodie or jacket, girls also should wear the unit necker once enrolled as a member of the unit.

The unit necker is worn by all girls once they are enrolled. If you were a Loftus Rainbow, you should wear your necker from Rainbows from your first unit meeting. This necker will also be taken by girls if they continue into Loftus Guides. The Raspberry goes on the right shoulder. The Cleveland county badge goes in the point at the bottom

If your daughter wears a gillet, the following guide can be used. Any challenge badges go on the back of the gillet. Just be careful not to sew the pockets closed!
